

## Restriction of Hazardous Substances (RoHS) Directive 2002/95/EC

Compunetix is committed to environmental responsibility and complying with the European directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment, 2002/95/EC (the ROHS directive).

From the 5th of March 2010, the following Compunetix products are RoHS compliant:

- EVERGREEN™ Multipoint Conferencing Units (MCUs)
  - Cedar
  - Cypress
  - Sequoia

Based on the information provided to Compunetix by its suppliers, the aforementioned products comply with the stipulated amount of the restricted homogenous materials stated below (the only exceptions are when particular components fall within the exemptions provided in the Annex of the 2002/95/EC directive).

- Lead (Pb) 0.1%
- Mercury (Hg) 0.1%
- Hexavalent Chromium (Cr6+) 0.1%
- Polybrominated Biphenyls (PBB) 0.1%
- Polybrominated Diphenyl Ethers (PBDE) 0.1%
- Cadmium (Cd) 0.01%

It is the policy of Compunetix, Inc. to continuously monitor the component supply chain of the EVERGREEN systems to maintain compliance with the ROHS directive. Compunetix also maintains an audit trail for components used within these products.

Documentation supporting compliance with the ROHS directive is kept at the address above.
