FOR IMMEDIATE RELEASE

Compunetix Collaboration Solutions Feature Lifetime Support

All products, including CONTEX Summit™ supported

Monroeville, Pa., December 8, 2010 – Compunetix, Inc. is pleased to announce a recommitment to its groundbreaking lifetime product support policy, including the award-winning CONTEX Summit collaboration platform. The lifetime product support guarantee is the first and only of its kind in the industry and reinforces the company's hardwired dedication to quality. Compunetix has been engineering and manufacturing critically acclaimed collaboration platforms for over 40 years and has never discontinued support or service for any of its revered CONTEX products.

The lifetime product program guarantees support for those original owners of CONTEX products who have continued maintenance contracts with Compunetix since their purchase. The details of the program are readily available to customers of Compunetix systems via their account managers.

"We strive to add value to our customers and the industry as a whole. The guaranteed lifetime support program provides stability and reassurance that we fully stand behind every product we market," states Mr. Gerard Pompa, Senior Vice President and Division Manager of the Communications Systems Division. "The lifetime support is also complemented by our award winning 24/7/365 support and service. When service providers purchase Compunetix, they are buying into the technology that has been our passion for over 40 years."
