FOR IMMEDIATE RELEASE

Compunetix Ranked in Pittsburgh Business Times 100 Fastest-Growing Companies

Highly ranked in overall growth in the technology sector

Monroeville, Pa., October 4, 2010 – Compunetix, Inc., the leading producer of state-of-the-art voice and video collaboration systems and electronics contract manufacturer, was named one of the 2010 Pittsburgh Business Times Top 100 fastest-growing companies. The results were based on revenue growth between 2007 and 2009. The leading 100 were broken down into categories, and Compunetix was ranked within the top 10 in the technology category with revenue growth of 55.60 percent. An event for the Top 100 was held at the Duquesne Club in Pittsburgh on August 26, and Compunetix was a proud attendee. Compunetix has posted consistent growth in the industry and remains dedicated to the development of reliable and innovative products and services.

"In spite of the recession, the company has been consistent in pursuing its long-term objectives," states Dr. Giorgio Coraluppi, President and CEO of Compunetix. "This proved to be a successful strategy."

About Compunetix, Inc.

Compunetix is the leading manufacturer of multipoint collaboration equipment and Web collaboration software in the world. With well over 500,000 ports installed in more than 28 countries, the company has the industry's largest worldwide deployment of digital teleconferencing systems. Dedicated to customer-focused and innovative technology, Compunetix engineers and manufactures all aspects of its conferencing equipment, ensuring its customers that their media processors are the highest quality, most reliable and most flexible solutions available.
