## Kontakt Art and Compunetix Bring Video Collaboration to Panama at BizFit and Megatendencias Innovations

Monroeville, Pa., October 16, 2015 – The Compunetix, Inc. Video Systems Division (VSD), a global leader in large-scale, carrier grade, high definition video collaboration solutions for room systems, desktop applications, and mobile devices, has partnered with Kontakt Art, Panama’s premier business services consulting firm, to participate in two upcoming unified collaboration and consulting events in Panama. The first, BizFit Panama 2015, is sponsored by the Panama City Chamber of Commerce and will be held on October 20 – 22. Kontakt Art and Compunetix will be demonstrating the power and fluidity of the EVERGREEN video collaboration offerings.

The second event, MegaTendencias Innovations, will be held on November 19 and is targeted towards CIO-level executives and organizations identified as strategic users of collaboration technologies. Eric Murphy, the Video Systems Division Global Solutions Manager, will be on hand to speak about Cyber Security during a panel discussion.

These events mark the introduction of Compunetix offerings into the vibrant and increasingly demanding South American market.

“We are excited to offer collaboration solution services powered by Compunetix,” stated Joe Shield, Kontakt Art Director of New Business Development and Operations. “Compunetix offers the best-of-breed video collaboration solutions for the enterprise and government markets, and Kontakt Art is pleased to introduce them to Panama.”

“Kontakt Art has been helping us to establish our footprint in Panama and beyond,” noted Alvaro Cruz, Compunetix Video Systems Division’s Account Manager. “The South American marketplace is full of forward-thinking corporations and enterprises that want to take their collaboration to the next level. BizFit and Megatendencias Innovations will help us to address those organizations.”
