

CONTEX ConferenceManager™ 2

Cost-effective, Easy-to-use, In-house Conferencing

Eliminate the costly pay-as-you-go fees of subscription-based services and experience high-quality fully integrated audio and web conferencing with the ConferenceManager2.

Discover the Benefits

ConferenceManager2 is the in-house audio conferencing platform that sets new standards for security and ease of use. Designed to work within existing voice and data networks — and available with a fully integrated Web conferencing option — ConferenceManager2 has been deployed by hundreds of leading organizations worldwide with minimal cost, effort, or administration.

- **Incremental Scaling:** ConferenceManager2 is telephony agnostic and scales in single port increments from 12 to 1,000 ports. Pay only for what you need.
- **Flexible Deployment:** With multiple deployment options, on-premise or in the cloud, the system can be deployed to meet the exact needs of your organization.
- **Cost Savings:** The financial picture is clear. ConferenceManager2 provides a rapid, compelling payback. A minimal one-time investment and your organization begins saving immediately regardless of how your conferencing usage scales. Your service provider just can't compete.
- **Instant Expansions:** With our unique architecture you're never more than a license key away from increasing users, adding Web functionality, or changing from one protocol to another.
- **Dynamic Integration:** It's easy for everyone. Familiar applications (like Microsoft Outlook, Lotus Notes, and the Web browser) provide the interfaces that make ConferenceManager2 accommodating for your end-user.
- **Simple Administration:** Simple Web-based administration provides the flexibility you need to meet your organization's needs.

Key Features

Intel® R1000JP Chassis - R1304JP4OC
Intel® Xeon® E5-2609 v2 Quad Core™ 2.5GHz Processor
8GB Fully Buffered DDR3 RAM
Quad Intel® Pro/1000 EB Ethernet Ports
2 Riser Slots With Intel® Adaptive Slot Technology
Seagate Constellation ES.3 1TB SATA Hard Drives (Dual)
RAID 1 and redundant power (standard)

Motherboard

Intel® S1600JP4 Server Board

Processor/Cache

CPU

Intel® Xeon® E5-2609 v2 Quad Core 2.5 GHz with 10MB Intel® Smart Cache

System Bus

1066MHz/1333MHz System Bus

System Memory

Memory

Eight DIMM Sockets

Capacity

8GB Fully Buffered DDR3 RAM
Dual Channel Memory Bus

Memory Type

DDR3 Fully Buffered DIMMs

On-Board Devices

Chipset:

Intel® C602 Chipset

IPMI:

IPM Interface v 2.0
Support for Intel® Remote Memory Module 4 and Local Control Panel

Network:

Quad Intel® Gigabit Ethernet

Controllers:

Supports 10BASE-T, 100BASE-TX, and 1000BASE-T, RJ-45 Input

Controllers:

Intel® Integrated Graphics

Chassis

Form Factor:

1U 19" Rackmount

Expansion Slots

3 Riser Slots - Intel® Adapter Slot
3 PCI Express Buses (2x16 and 1x8)

Input/Output

USB:

4 External USB Ports

Serial Ports:

9 Pin Serial A

Drive Bays

Four 3.5" IDE Drive Bays
(w/o CMA) 27.75" (704.8mm)
One Optional IDE Slim Optical Drive Bay

Dimensions

Height:

1.75" (44.45mm)

Width:

(w/o Rails) 17.2" (436.8mm)
(w Rails) 18.04" (458.2mm)

Depth:

(w/o CMA) 24" (609.6mm)
(w CMA) 29.25" (742.9 mm)

Gross Weight:

25.75 lbs (11.68kg)

Color:

Black

Power Supply

450W AC Power Supplies (Dual)

AC Voltage:

100-220V, 50/60Hz, 12 amp

DC Output:

12V + 5V + 3.3V < 840W

Draw:

2 amps Steady, 6.8 Max, Per Supply

Environmental:

750 BTUs Steady, Per Supply

Front Panel

Buttons:

Power/Sleep
System Reset
System ID Button

LEDs:

Power/Sleep
Hard Drive Activity
NIC Activity
System Status
System ID

System Cooling

Fans:

Five 80mm Blower Fans

Audio Conferencing:

- Scalable Port Capacity
- Advanced Management Features
- Conference Lock/Unlock
- Integrated End User Web Portal
- Interactive Voice Prompts
- Works with MS Outlook and Lotus Notes

Web Conferencing:

- Optional Component to Voice System
- Browser-based Client
- Document and Application Sharing
- Shared Whiteboard
- HD Webcam Support
- Automatic Email Notification
- Speaker Indicator

Emergency Conferencing:

- Automatic Blast Dial to Emergency Personnel
- Unlimited Number of Emergency Groups
- Up to 3 Phone Numbers Per Person
- Detailed Call Records of All Emergency Conferences
